Welcome to Columbia

You and your child are about to embark on one of the most unique experiences in your lives. Middle school is an important transition time. During middle school, students leave childhood and enter adolescence; and they learn valuable lessons which are essential for success in high school and beyond. Success in middle school is built through positive relationships with every member of the Columbia community. Cooperation and communication with the school is critical as your student leaves behind his or her childhood and begins exploring an uncertain future based on interests and choices. In addition, learning and practicing new problem solving skills are essential to this developmental phase.

Having a successful experience means actively participating in Cougar P.R.I.D.E. This philosophy, when taught, understood and practiced by all members of our community, will ensure the safe, positive, and strong educational experience that we all want for every child.

The Cougar PRIDE Philosophy: All members of the Columbia community will practice Perseverance, Respect, Integrity, Dedication and Engagement to develop and maintain positive and supportive relationships among staff, students and parents in order to achieve academic and social success.

Throughout the middle school years, students move from childhood to young adulthood. This is not only a physical process, but an emotional and cognitive one. This transformation is both incredible and challenging. Our ability to become partners on this amazing journey will help us to persevere through the challenges, respect each other, model integrity and develop a sense of discipline related to the routines that ultimately lead to excellence for a child’s future, in both the academic and social aspects of their lives.

VISION
Every student shapes a successful future.

MISSION
In partnership with our community, we accelerate learning for all students to develop the knowledge, skills and character necessary to shape successful futures.

COLUMBIA MIDDLE SCHOOL

Columbia’s Story - Our Beliefs About Student Learning
Our job is to accelerate learning for every APS student, every day. We believe that all students will learn and find academic achievement at higher levels. It is our commitment to create an environment in our classrooms and in our building resulting in high levels of performance and growth within our community of learners. We are confident that, with our support, students will master challenging academic material and become empowered learners. We are all accountable for our part in the success of every member of our learning community. We are prepared, dedicated and determined to work collaboratively with students, parents, colleagues and our community to achieve a shared educational purpose that elevates ALL. Our community needs us to do our job!

WE are COLUMBIA! WE are SUCCESS!

Columbia Learning Community: A supportive, caring and committed group of staff, students and parents whose primary focus is developing a culture of learning for the children and families within the community.

Goals: Columbia will support the overall learning community by focusing on the following three overarching goals:

- Accelerate student achievement throughout the learning community.
- Ensure a safe environment throughout the learning community.
- Ensure clear communications throughout the learning community.
COLUMBIA’S EDUCATIONAL PROGRAM

First and foremost, students attend school to develop their learning skills in a setting with teachers and other students. They should come prepared to learn, ready to ask questions and excited to share ideas with other learners. In addition, today’s young people must understand the value of a strong, positive learning environment where it is okay to make mistakes, discover new interests and receive support from adults at school and home whenever needed. Goal number one is getting a great education and goal number two is the development of strong, positive relationships.

Columbia’s academic program develops reading, writing, speaking and listening in the contents of literacy, science, and social studies. Special attention is directed toward developing critical thinking skills, challenging every student to support academic arguments through writing and debate while developing reading in the content areas.

*Think of literacy as a spine that holds everything together. The branches of learning connect to it, meaning that all core content teachers have a responsibility to teach literacy.* – Bill and Melinda Gates Foundation

Authentic Literacy Practice: This should be done at home and school every time a student is reading for understanding and preparing to debate an important educational point:

- Underline/highlight important text, annotate in margins why the text is important
- Discuss reading with others who have read the content
- Consider questions, points of view, or perspectives to debate
- Use writing to explain text information to others

Math, like literacy, is a subject that requires all students to practice constantly. Students take mandatory academic classes which include advanced programs for math and literacy, support classes for ELL students and classes for students with special needs. Students who need extra support in reading, math and the English language will have classes scheduled in the intervention program. These classes replace elective classes as needed.

The elective program includes the areas of health and physical education, band and orchestra, drama, chorus, advanced chorus, technology and visual arts. The two daily elective periods provide the opportunity to explore new subjects and ideas - an important facet in pre- and early-teen development.

Other school programs include intramurals to provide additional sports activities for all interested students, inter-school sports for 7th & 8th graders, and academic and social clubs developed around student interests and needs.
Questions for understanding standards, learning objectives and success criteria:
✓ What am I doing in class today? Which standard(s) am I working on?
✓ Why am I doing this work? What is today’s learning?
✓ How will I get there? What will show my learning?
✓ Do I know what I need to do? – What are my next steps or questions?
✓ What do I need to do this? – Resources (technology/books)? Support Group? Notes?
✓ How do I get help if I need it?

Understanding my work:
✓ I read carefully, and then re-read the task, problem or prompt
✓ I highlight, underline or make note of important words, clues and phrases

  o “How can what I already know help me?”
✓ I come up with a plan to complete this task, problem or prompt
✓ I work through my plan carefully, checking my work as I go
✓ I review my completed work and ask myself –
  o “Did I answer the original task, problem or prompt?”
  o “Is my answer my best thinking?”
  o “Does my answer make sense?”
✓ I ask for help when I need it

Practicing to be successful:

Standards Based Grading - Frequently Asked Questions

Question: My student is in a class (Math or Reading) that assigns S (Satisfactory) and U (Unsatisfactory) grades, what does the “S” mean?
Answer: The “S” indicates that the student is making “satisfactory” progress building skills in that class. A “U” in this class indicates that the student is not doing the work necessary for a satisfactory grade and they need to work harder.

Question: How do I understand what a grade of “A”, “P”, “PP”, “U” means?
Answer: Ask your child’s teacher to share and explain the “proficiency scale(s)” they use to grade your child.

HOMEWORK REQUESTS
The majority of classroom and homework assignments can now be found online, through an established teacher website or the student’s Google Classroom account. Homework will be requested from teachers ONLY when a student will be absent for at least 3 consecutive days. Please call the main office as early as possible the morning you would like homework gathered. Requests will then be sent up to teachers in order for them to gather work during their planning times. Please be considerate of staff members’ time – we do not interrupt class instruction to request work. Also, if you request the homework, please pick it up from the main office.

Other sources for class work and homework information are the homework hotline number for each teacher or the Parent Portal on Infinite Campus.

It is also impossible to predict every potential question when developing expectations and guidelines, therefore the building administration reserves the right to adjust, add or remove specific expectations or guidelines as determined appropriate.

CLASSROOM LEARNING

- Students should engage positively in their learning and ask questions to get the help they need.
- Our classrooms are filled with students whose values, beliefs, languages, and cultures vary widely. It is important that we strive to understand our community of learners while developing a safe and respectful learning environment.
- Be on time! Prompt, regular attendance is the first step to learning success.
- Be prepared to try and know how to ask for help when you are stuck.

DRESS CODE POLICY

Dress codes are established to provide modest guidelines for student attire in a public school setting with children from diverse backgrounds, religions and cultures.

1. **Shirts MUST HAVE SLEEVES:** Polo, T-Shirt type shirts or collared shirts, with sleeves, that appropriately cover the entire upper body.
2. Pants, skirts, shorts without tears/rips/holes at or around the hip pocket area. The length must be longer than a student’s fingertips with arms at sides.
3. Accessories (belts, jewelry, etc.) that are appropriate and not overbearing.
4. Appropriate shoes must be worn at all times. NO SLIPPERS/HOUSE SHOES!!
5. PE uniforms must be purchased for and worn in PE classes.

6. Shirts may not show undergarments or midriffs.
7. **Anything else deemed inappropriate by an administrator.**

Students: **if you are NOT sure** if the clothing you are choosing meets the school dress code **DO NOT WEAR IT!** Students will be given the opportunity to fix a dress code violation. If the violation cannot be fixed, students will be given school assigned apparel which must be returned by the end of the day. Consequences will follow if students refuse to comply with the dress code policy. **Administration reserves the right to determine if an article of clothing, not listed here, is or is not appropriate for school.**
PROTECTION OF PERSONAL AND SCHOOL PROPERTY
The school will not be responsible for any of the items listed below if they are lost or stolen. These items are not allowed.

CELL PHONES AND ELECTRONIC DEVICES SHOULD BE KEPT IN LOCKERS AT ALL TIMES.
1. Students and parents must remember the school is not responsible for damage or theft of any private property at school. This includes bicycles, electronic devices, backpacks and other school supplies. When in doubt, leave that item at home. It is not the school’s responsibility to investigate or to find personal property if it has been lost or stolen. Students should keep books, backpacks and all personal belongings locked in their locker or under their control at all times, and never leave items unattended.

Skateboards, rollerblades, and scooters are not allowed on school grounds.

If a student has an above-described item in his possession, it will be taken by any adult staff member and returned only to the parent. Even if the student is not using the item in question, if it’s in line of sight it will be confiscated. A repeat offense will result in the item being held until the last day of school when it will only be returned to a parent.

STUDENTS SHOULD NEVER SHARE THEIR COMBINATION OR LOCKER WITH ANYONE.

SAFETY – safety is everyone’s responsibility!
• Aurora Public Schools Safe Schools Policy: Be familiar with this as it relates to middle school students.
  ▪ http://schoolservices.aurorak12.org/school-services/safety-discipline/
• Behavior
  ▪ Learning to respect each other and work together in a diverse learning community is very important. Be safe, focus on the positive and do not engage in negative drama.
  ▪ Ask for help when you need it…do not wait.
  ▪ REMEMBER to A.C.T. –
    ❖ ACKNOWLEDGE a person in need.
    ❖ CARE for them by helping them to be safe.
    ❖ TELL an adult who can help them get the help they need.

UNSTRUCTURED TIME
• We have passing periods with over 750 kids moving together to their next classes.
  ▪ Move safely, look around corners and watch out for our students in wheel chairs and on crutches. Running inside a building is not safe.
  ▪ Know where you are going and be on time.
  ▪ Help someone who drops stuff…someday you will too.
• We have lunches with over 250 students at a time eating and participating in recess.
  ▪ Be polite to each other and our lunch staff.
  ▪ Pick up/clean up after yourself and throw out your trash.
  ▪ Have PRIDE in your school, halls, outside, etc and keep it clean.
STUDENT IDs
In addition to the district safety office requiring ID cards (http://aurorak12.org/pol-reg/SectionE/ecaba.pdf); Columbia students use them regularly for checking out resources, technology, books, attending athletic events, eligibility, riding buses, lunch identification and so much more. Help your child learn the importance of keeping and carrying proper identification to prepare them later on for other forms of identification including a driver’s license. Students must have their ID all the time and if it is lost, they will need to replace it at a cost of $5.00 for EACH lost ID card.

DISCIPLINE POLICY

The goal of any discipline procedure is to change student behavior. Parents and students should realize the discipline procedure ends the moment the student chooses to follow the rules, take responsibility, and shows P.R.I.D.E in actions and choices made. Tempering our procedure is the desire to understand the student’s stage of development and the circumstances surrounding each situation. Please follow our lead in waiting until all the “facts” are known before making a judgment. This process can take time and patience is critical. We expect behavior which is “reasonable” and in turn will allow students the chance to show improvement and not repeat the same behavior. Repeated behaviors indicate a student is unwilling to change and will be addressed more seriously.

Parental support and cooperation are extremely important in helping students learn from mistakes and mature into young adulthood. Behavior is developmental and requires parents and staff to work together and model problem solving for students to learn correct conflict resolution skills. Please do not hesitate to call and contact us when you have a concern. We can’t address it if we don’t know about it. Communication is a priority. We appreciate receiving calls from parents when clarification is needed or we have overlooked something.

Depending on the severity of the behavior, the staff response will usually follow the procedure below:

Responses by teachers and other staff:
1. Verbal warning, student/teacher conf.
2. Parent phone call
3. Behavior contract with student and parent
4. Teacher/parent conference
5. Restorative Justice meetings**
6. Administrative office referral

Administrative responses can include:
1. Conference w/student and parent/guardian
2. After-school detention & parent contact
3. In-school suspension* & parent contact
4. Restriction from school activities
5. Behavior plan if appropriate
6. Out of school suspension & parent contact
7. Re-Entry conference
8. Recommendation for expulsion from school

*In-school suspension is a suspension at school where students are supervised by a staff member throughout the day and given work assigned by their teachers.
**Restorative Justice meetings are mediations run by staff members whereby all parties affected by an injustice have the opportunity to discuss how they have been affected and decide what commitments should be made to repair the harm.

Student Support Center Staff: Support, teach and model Cougar P.R.I.D.E.
1. Contact unexcused students and problem solve with families.
2. Inform parents of and follow Colorado attendance law, school attendance procedures, and district attendance policy as appropriate.
ATTENDANCE PROCEDURES

Good attendance is of paramount importance to the academic performance and overall success of students. Absences, whether excused or unexcused, are detrimental to the learning process. Class discussions, lab work, simulations, student-to-student interaction and student-teacher interaction cannot be replicated as authentically outside the classroom or at a later time. Regular attendance develops habits that are essential for success in school and beyond.

Excessive student absences may be symptomatic of issues which necessitate joint efforts of the school, student, home and community agencies. We at Columbia believe that the best way to support student attendance is to partner with our students, their families, and the community in efforts to improve overall student attendance; it is thus the joint responsibility of students, parents/guardians and school to ensure regular attendance.

SCHOOL DELAYS OR CLOSURES

Weather-related delays or closures:
When bad weather is expected, Aurora Public Schools will assess weather conditions to determine if the district should delay start times, close schools or proceed with the scheduled school day. If Aurora Public Schools closes schools or delays start times, Aurora Public Schools will share this news with local television and radio stations and will post it on the district Web site, www.aps.k12.co.us and through an automated phone message system.

Delayed start times:
- If weather or other emergency conditions delay school, the school will begin one hour later. This includes bus pick up times.

School closings:
- Early dismissal: If early dismissal is necessary, students will be released to individuals identified on the child's Student Verification Form (or demographic page).
- Full-day closures: Classes will not be held and students should stay home for the day.

School begins at 8:25 AM and ends at 3:25 PM

NOTIFYING THE SCHOOL OF AN ABSENCE

Parents or legal guardians are to call the attendance line at 303-326-1651 to report student absences. Calls must be made within 24 hours of the day of absence for the student to be excused. Spanish-speakers may leave messages in Spanish. The following information is requested when calling in an absence:
1. Name of parent or legal guardian who is calling
2. Student's name, spell the last name.
3. Grade of the student
4. Reason for absence
5. Length of absence if known. If the length of absence is not known, daily calls are requested.
6. Daytime number of parent or legal guardian, in case questions about the absence arise.
7. Absences longer than 3 consecutive days will require a doctor’s note or documentation of family emergency.

SCHOOL NOTIFICATION TO THE HOME

Columbia Middle School will notify parents of a student’s unverified absence via our automated phone dialer, which makes phone calls to your home phone number between the hours of 5:00 pm and 8:30 pm. Please make sure your home phone number is correct in our records.
**EXCUSED ABSENCES**
The following absences will be considered excused in accordance with district policy:
1. Illness or injury as reported or documented (as needed) by the student’s parent/guardian
2. Appointments or serious circumstances which cannot be resolved before or after school hours.
3. Principal authorized time for extracurricular experiences, family vacations or other approved family business.

Please note that for those absences requiring principal approval to be excused, the student should be in good academic standing and have a good attendance record for the year. In cases of excessive excused absences, a student may be required to provide documentation for absences.

**UNEXCUSED ABSENCES**
Students will be considered truant or unexcused if they are absent from class for any reason other than those listed in the excused absences section of this handbook (see above).

The following are examples of items that will generally be considered unexcused in accordance with district policy. This is not an exhaustive list.
1. Car trouble
2. Alarm not going off
3. Missing the school bus or RTD
4. Students who miss more than ½ the class period unexcused (see tardy policy below)
5. Student leaving class without permission
6. Student leaving campus without permission, without the attendance office being notified by a parent/guardian in advance of the student leaving campus, or without signing out before leaving campus
7. Absences not excused within 24 hours by a parent or guardian

**EARLY DISMISSAL/APPOINTMENTS DURING THE SCHOOL DAY**
Parents are asked to telephone the school to indicate the reason and the time for early dismissal before the child is picked up. Office staff will do their best to have student in the office ready to be signed out. Please do not expect your student to walk out of the building on his or her own. Parents/guardians must come inside main office to show identification when picking up a student early. Do not pick your student up between 3:00 pm & 3:25 pm, unless it is an emergency.

Parents/Guardians must show photo ID when picking up a student.

**EXCUSED ABSENCES WHILE AT SCHOOL**
Once students have arrived at school, they are expected to be at their scheduled classes on time. If students become ill during the day, they are to see the nurse who will determine if they need to go home (usually only in cases of fever, vomiting, or injury.) Only the nurse can excuse students for being sick during the school day. The nurse will contact a parent to come and pick up the student in this situation. Students are not allowed to call parents from a cell phone or classroom to go home.

Students are expected to be in class on time. Tardies will be considered excused or unexcused based on the same guidelines as those outlined above for absences. Additionally, if a student misses more than ½ a class period unexcused, that student is considered to have an unexcused absence for that period, not a tardy. Students may receive consequences for being tardy.
PARKING LOT
Our parking lot continues to be very congested immediately before and after school. For the safety of the many students: PLEASE DO NOT ENTER THE STAFF PARKING LOT LOCATED ON DARTMOUTH AVE. TO PICK UP OR DROP OFF YOUR CHILD. You may use the visitor parking slots if you are here for a meeting. We have handicap access parking for visitors in the Columbia Avenue lot near the flagpole, on the north side of the building. Please note: The bus lane on Telluride is reserved for school buses only.

Only 7th and 8th grade students are able to participate in interscholastic competitive sports. Intramurals and clubs are available for all grade levels and will be announced after the school year begins.

Student athletes must meet eligibility requirements to participate in games. A student is ineligible if he/she received two or more weekly work habit scores of 0, 1 or 2 or if he/she has been suspended from games/practice due to behavior. Eligibility forms are due to coaches each Wednesday and represent eligibility for the following week (Thursday through Wednesday).
**ELIGIBILITY**

In order for students to participate in or be spectators at any activities, they must be eligible. Students participating in athletics or activities at Columbia Middle School are **student athletes/participants**; they are **students first** and athletes/participants second.

**Athletic Eligibility**
Student athletes who are ineligible are **not allowed** to practice with the team for that week OR play or attend the week’s game(s). However, all interested students regardless of academic eligibility will be allowed to practice the first week of each season.

*Academic eligibility* is checked for athletics every week and is determined using work habits scores. **Any student that earns 2 or more 0s, 1s, and/or 2’s for work habits is ineligible for the next week.**

Students will pick up Eligibility Forms from the main office on Monday and turn it in to their coach each Wednesday.

*Behavior eligibility* for athletics is determined on a case-by-case basis by the athletic director, school administrators, and coaches. Students may be prohibited from participating in practice, games, and possibly removed from the team based on their behavior.

**Activities Eligibility**
For students not in athletics, eligibility is determined twice a quarter, once during progress reports and again at the quarter grading period. If a student is ineligible and wants to participate in an event that required eligibility, they should:
1. Get an Eligibility Form from the main office and have teachers put their new information on the card and sign it.
2. Keep and carry the Eligibility Form to any activity you want to attend, and show the supervisor who will check you off the ineligible list.

**MEDICAL EXAMS**
A physician’s medical examination of the athlete participating is **required before the student can start practice**. Physical exams are valid for one calendar year and can be obtained through your family doctor, one of the locations below, or any other clinic/medical office of your choice.

HEALTH NOTES

SCHOOL HEALTH OFFICE
During the school day, a Registered Nurse is on duty in the health office. Students are not allowed to call parents from a cell phone or classroom to go home. If a student becomes ill during the school day, they should get a pass from their teacher and report to the nurse. She will evaluate the problem and contact parents/guardians if there is an immediate health concern or if the student needs to go home. Students are not to leave school because of illness without properly checking out with the nurse and the main office.

STUDENT EMERGENCY CARD
This form is very important to a child’s personal health needs and safety. It must contain current names and phone numbers for parents and others who can respond in case of a student’s illness or injury. The card should be completed at registration and updated whenever any information changes. Notify the school nurse regarding your student’s health conditions or medications.

MEDICATIONS AT SCHOOL
Prescription and non-prescription medications may be administered during the school day by district personnel according to the procedure outlined in School Policy JLCD and JLCD-R.

For all non-prescription medications, a student’s parent or guardian may make a written request for school personnel to administer medications by providing a completed medication administration authorization form. For all prescription medications, both parent/guardian and physician signature are required. Middle school students may carry one day’s worth of non-prescription medications for self-administration during the school day. Prescription medication supplied by the student’s parent or guardian must be in the original container from the pharmacy with a label that includes student name, drug name, dose specific to weight or age, time interval, route (ie., by mouth, injection, etc.) and specific indications. Non-prescription medications must also be in the original labeled container and should also be labeled with the student’s name.

HEALTH PROBLEM NOTIFICATION
It is extremely important for parents to advise the school health office staff if a child has health problems or allergies. The school must be notified when a child is diagnosed with a communicable disease such as measles, pertussis (whooping cough), mumps, chicken pox, etc. A student with a serious health problem (examples include diabetes, seizures, etc.) must have an individual health plan, written by the school nurse, on file before attending school.

INSURANCE
The district partners with insurance companies to provide affordable student insurance. School insurance is optional. However, students who wish to participate in interscholastic athletics MUST have accident insurance in order to be eligible to participate. Call Columbia’s main office for additional information.

MEDICAID
Our district participates in the School Medicaid Program, which allows Aurora Public Schools (APS) to earn funds to expand health services for students. If/when your child is Medicaid-eligible; APS can bill the Medicaid program for services delivered in school, for example therapy or nursing services, audiology, psychology or social worker services. A parent’s signature on the Student Emergency Card gives the Medicaid program permission to earn these funds. School Medicaid reimbursement does not affect the family’s other Medicaid benefits in any way.

PE EXEMPTION
If a student needs to be excused from PE, the parent should write a note to the school nurse, explaining the situation. A parent excuse is valid for 3 school days. If the student needs to be excused for more than 3 days, a doctor's note is required. Students should see the nurse in the morning before school; from 8:20 – 8:30 to be issued the PE exemption pass. If the pass states it is limited PE, the student will dress out and physically do what activities they can. If it states to observe, the students will dress out and observe the class; students should bring a book to read.

REQUIRED STUDENT IMMUNIZATIONS
Our School Nurse will contact you if your student is non-compliant with state required immunizations. Please call our main office and ask to speak with the nurse should you have any questions or concerns.

Required Middle School Student Immunizations

**Mission Statement**

Columbia counselors, student liaisons, and student advisors work with students, teachers, and parents to assist students in having a positive and productive middle school experience and to help address the changing needs of our students. Students are supported by a variety of services provided by the SSC: individual and group meetings, progress-monitoring, collaboration with teachers and parents, classroom lessons, new student orientations, etc.

**Specific Programs of Support**

Middle school is a time of tremendous transition for students. The middle school student is growing physically, emotionally, and intellectually. For this reason, social-emotional support is extremely important during this time.

- **Counseling**
  Counselors are available to students throughout the school year to provide services that support student’s academic, career and social/emotional needs. Counselors provide transitional programs of support specific to each grade level to help students successfully transition from elementary to middle and middle school to high school.

- **Student Liaison Support**
  Student liaisons mentor students in different capacities based on their needs. They identify specific roadblocks to students’ education and create supports that empower them to begin to problem solve on their own and excel in school.

- **Behavior Coaches (Formerly Deans of Students)**
  Behavior Coaches are the administrators in charge of the Student Support Center. Our comprehensive behavior management system is their primary individual focus with the safety and security of all students and staff at the forefront of all of their administrative work.

**How does a student obtain support from a Student Support Center member?**

Students must request an appointment by filling out a form available outside the SSC or in the main office. A teacher may refer a student to the SSC, but a student should never walk out of class to go see a member of the SSC without permission. Parents may also contact the SSC staff directly to request support and share ideas around the needs of their students.

Due to the volume of requests or unforeseen emergencies, the main office and SSC members will prioritize based on need and/or order of date the request was received.

The staff at Columbia wants to be sure that students have a clean, safe, and inviting atmosphere during their breakfast and lunch. Each grade level has its own lunch/recess time and we split each lunch by team. Students in one team eat during the first half of the allotted time while students in the other team go outside for recess activities. Students will rotate this process of eating and recess times each quarter. These procedures have resulted in less time standing in line and sufficient space to comfortably seat all students.

Remember to follow P.R.I.D.E. in the cafeteria and when at recess.

**IMPORTANT:**
- Students are not allowed to have fast food brought into the cafeteria due to federal lunch guidelines. Parents are always welcomed to take their student out to lunch.
- Students CAN NOT ORDER FOOD for delivery from a restaurant. Restaurant deliveries, for students, will be turned away by the main office.
- Food is not allowed to be in hallways or in classrooms without prior permission from teachers or administrators.

**COMPUTERIZED LUNCH PROGRAM**

The computerized meal program allows students to key in their 4-digit keypad number on a keypad. The current money balance in the student’s meal account will be shown on the register screen. If an account has enough money, the transaction will be processed, but if there is not enough money a “beep” will sound and the cafeteria cashier will handle the situation.

All students are assigned a number to participate in the lunch program.

Payment into an account can be for one or more meals, but you are encouraged to prepay for a number of meals at once to reduce frequent deposits and cash handling. Cash or checks will be accepted for deposits. Checks should have the student’s name and meal account number noted.

The prices for meals are:

Different children in the same household cannot share an account balance. Payments must be received during the school’s scheduled time to ensure placement into the student’s meal account. Please remember that the student meal account number issued belongs to your son or daughter. This meal number is confidential and should not be shared with other students or family numbers. A student number can be used for only one lunch per day.

Some families may qualify for the federal free or reduced meal program. Nutrition Services has centralized the processing of free and reduced meal applications for the school year. A new application must be completed each summer for the upcoming school year. You can now complete an application online by going to [www.myschoolapps.com](http://www.myschoolapps.com). All completed applications go to the nutrition services office. They will process the applications and inform the families of their status. **Questions regarding this application process should be directed to nutrition services at 303-343-0295**

Career and technical education opportunities will be offered without regard to these protected classes. In adhering to this policy, the Aurora Public Schools abides by Title IX of the Education Amendments of 1972, the Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act and Titles VI and VII of the Civil Rights Act of 1964.

Access to Student Information/Student Records – Rights and Privacy
From time to time, Aurora Public Schools personnel are asked to share student information with someone other than the parent or guardian of the student. Aurora Public Schools is unable to provide this information because it is illegal according to federal law (Family Educational Rights and Privacy Act). There are some exceptions which include requests of information through a subpoena, information classified as “directory information” (such as email address, date of birth and photograph), and information which is shared with a different school in which the child seeks to enroll or when parental consent is given.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the School receives a request for access.

Parents or eligible students should submit to the school principal or appropriate school official a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend a record should write the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student’s enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that APS, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, APS may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow APS to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

If you do not want APS to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing, within 15 days of the start of school or within 15 days of receipt of this notice for those parents of students who do not start the year with APS. APS has designated the following information as directory information:

a. student's name,
b. date and place of birth,
c. electronic mail address,
d. photograph,
e. grade level,
f. major field of study,
g. participation in officially recognized activities and sports,
h. weight and height of members of athletic teams,
i. dates of attendance,
j. awards received,
k. most recent previous educational agency or institution attended by the student or other similar information, and
l. other similar information.

Student telephone numbers and addresses will not be disclosed pursuant to this section.

**Annual Notice to Parents: Disability Discrimination**

In compliance with a federal law known as Section 504 of the Rehabilitation Act of 1973, the Aurora Public School District will provide to each protected student with a disability, without discrimination or cost to the student or family, those related supplementary support services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the person’s abilities. In order to qualify as a protected student with a disability, the child must meet the following definition: he or she must be of school age with a physical or mental disability which substantially limits one or more life activities, (such as learning) or prohibits participation in or access to an aspect of the school program. In addition, one who in the past has had such a disability or is perceived by others as having such a disability may also be protected by law from discrimination on the basis of disability.

- Even students who are not eligible to receive services under the traditional special education programs, which are provided pursuant to the Individuals with Disabilities Education Act, may be eligible to receive supplementary supports, services, and accommodations, if they fall within the definition of disability stated above.
- In addition, the district does not discriminate in admission, treatment, employment or access to its programs or activities.
- For further information about the evaluation procedures and provisions of services to students with disabilities, contact the district’s coordinator of Section 504 Compliance in Health Services, at phone number 303-344-8060, ext. 28511, or write to the 504 Compliance Director, Aurora Public Schools, 15700 East 1st Ave., Aurora, CO 80011.
For specific information relating to special education services for students with disabilities under the Individuals With Disabilities Education Act, contact the Department of Exceptional Student Services at 15751 E. First Ave., Aurora, CO 80011, 303-340-0510.

Asbestos Management Plan Designed for School Safety
The safety of students and employees in all Aurora Public Schools facilities is the number one priority for the Environmental Compliance Branch. Our procedures for dealing with asbestos reflect that priority.

As required by the Asbestos Hazard Emergency Response Act (AHERA), Aurora Public Schools has conducted an extensive asbestos survey of all the district buildings. Based on the findings of these inspections, a comprehensive management plan has been developed for each school. Each plan identifies locations and types of asbestos-containing materials in the building and details the district’s ongoing effort to maintain or remove those materials. The plans are continually updated with documentation of asbestos related work performed at each site.

The program is available for review at the Environmental Compliance Branch at 1369 Airport Boulevard. Questions are welcomed and should be directed to the Environmental Compliance Branch Manager at 303-367-3000 ext. 28685.

Critical Information
It is critically important that parents provide the school with updated home and work telephone numbers. It is equally important parents update their physical and/or mailing addresses, throughout the school year through the online “Change of Address Tool.” In addition, the school must have the name of an adult to contact in the event of an emergency, should we be unable to reach the parent. If no one can be reached, the police will be contacted. It is also important that parents review backup plans with their children in case the unexpected happens (early dismissal, parent delayed, etc.)

Harassment – Racial/Sexual
The Aurora Public Schools Board of Education believes that all students are entitled to pursue their education in school-related environments that are free of racial and sexual harassment. To this end, the board prohibits the harassment of students through conduct or communications.

It is the policy of the board that complaints be investigated and offending individuals be dealt with in accordance with state law and district policies. Individuals who wish to file a formal complaint of racial and/or sexual harassment may do so by informing the building principal or by filing a grievance with Marcelina Rivera, Chief of Staff, 15701 East 1st Avenue, Suite 206, Aurora, CO 80011, phone: (303) 344-8060, mrivera@aps.k12.co.us, or designee.

Homeless Children & Youth – McKinney-Vento Act
If a student meets the federal definition for homeless, the parent(s) and the student(s) have the right to enroll in the student’s designated attendance area and to fully participate in any school programs offered to students, for which they meet eligibility requirements. Homeless students are not required to attend a separate school for homeless youth and will not be stigmatized by school personnel. Homeless parent(s) and student(s) do not need to provide school documents, proof of residence or immunization records when enrolling. Schools may assist parents with information on clinics for immunization or with requesting school documents. Homeless students will be provided comparable services including transportation, education and meals. If a parent is denied enrollment they may appeal the decision for non-enrollment to the district’s homeless liaison. Upon review of the situation, the district’s homeless liaison will make a final decision on the enrollment of the student.
If a family or youth becomes homeless during the school year, parent(s) may request assistance with transportation for their child to continue attendance at the school of origin. This request is only applicable if the family or youth needs to move to a location outside of the school’s attendance area. This assistance with transportation to the school of origin will be provided for the balance of the current school year. In determining transportation options, the homeless family liaison will consider the hardship of the student if transportation is deemed too long for the student to ride on the bus or if the time involved would also cause some hardships for the student and their family.

For more information on homeless and the rights of homeless parents and youth, please contact the Metro Migrant Education Program, Aurora Public Schools, at 303-365-5817.

**Every Student Succeeds Act: Parent’s “Right to Know”**

The federal law called the “Every Student Succeeds Act” requires that all public schools inform parents whose children participate in Title I programs of the professional qualifications of their teachers. Aurora Public Schools will provide this information to you upon request.

Should you wish to acquire information regarding the license and degrees held by Title I classroom teachers, please complete a Title I Teacher Qualification Request Form. This form may be obtained by writing to the Division of Human Resources located at 1085 Peoria Street, Aurora, Colorado 80011 or by calling 303-344-8060. All written requests will be processed by the Division of Human Resources. Within 30 days of receiving a request, you will be provided written information by mail. Human Resources staff will not provide information over the telephone.

**Non-Custodial Parent Rights**

By law the district is required to allow non-custodial parents (those who do not have legal custody of their children) access to all records concerning their children unless there is a court order denying them access to such records or, in rare cases, where the district believes the children could be in danger. This means that if you are divorced, separated or for some other reason not living with the parent of your child, and the non-custodial parent asks the school for any records concerning your child, the school is required to provide the records to him/her, unless there is a court order which says they are not entitled to such records. Please note that school records include names and addresses of students.

It is the responsibility of the parent who has custody of a student to provide the district with a copy of the most recent court order related to custodial rights and any order relating to the right of the non-custodial parent to have access to records involving a student. Such a court order must be provided as close as possible to the time of registration of the student or to the time the court issues the order. If there is no court order on file with the school, the school will assume that none exists.

**Protection of Pupil Rights Act (PPRA)**

Under the federal PPRA, parents have the right to prior notice of (1) any activities involving the collection or disclosure of personal student information for marketing purposes; (2) the administration of any survey designed to gather private student information (including information about political affiliation, family income, mental problems, illegal behavior, sexual behavior and attitudes and religious beliefs); and (3) any non-emergency, invasive physical exam or screening that is required as a condition of attendance, administered by the school and scheduled in advance, and not necessary to protect the immediate health and safety of the student or other students. For a full description of rights under PPRA, please visit the district’s Web site at www.aurorak12.org (go to “Parents” then click on “Legal Rights”).

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

- Consent before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education:
1. Political affiliations or beliefs of the student or student’s parent;
2. Mental or psychological problems of the student or student’s family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or
8. Income, other than as required by law to determine program eligibility.

Receive notice and an opportunity to opt a student out of—

1. Any other protected information survey, regardless of funding;
2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

- Inspect upon request and before administration or use—
  1. Protected information surveys of students;
  2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
  3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

Aurora Public School District (APS) has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. (APS) will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. (APS) will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. (APS) will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales, or other distribution.
- Administration of any protected information survey not funded in whole or in part by the U.S. Department of Education.
- Any non-emergency, invasive physical examination or screening as described above.

Parents who believe their rights have been violated may file a complaint with:
Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202
**Senate Bill 03-072/Sex Offender List**
A state law (Senate Bill 03-072) passed in 2003, requires all schools to notify parents that they have the right to access law enforcement agency information concerning adult registered sex offenders. Concerned parents may request this list at the local law enforcement office that governs your address or the address of the school your children attend. This could be either the Aurora Police Department or the sheriff’s office in either Adams or Arapahoe counties, depending on your address. You must go to their office in person and show proof of residency.

City of Aurora Police Department 303-739-6050
Adams County Sheriff’s Department 303-655-3488
Arapahoe County Sheriff’s Department 720-874-3875

**Special Needs**
Please contact your school building administrator or the Director of Health Services, at phone number 303-344-8060, ext. 28511 if, because of a disability, you require special assistance in order to participate in a school activity. Persons with such needs are requested to make contact at least two weeks prior to the event if possible to allow staff to coordinate arrangements.

This publication and most other publications from your school are available in alternative formats (e.g., large print, on audio tape and in Braille) upon request. Please contact the principal of your school for more information.

**Storm Water Management Program**
Aurora Public Schools has developed a Stormwater Management program intended to reduce nonpoint source pollution into the local waterways. As stormwater flows over driveways, lawns, and sidewalks, it picks up debris, chemicals, sediment, and other pollutants. Storm water can flow into a storm sewer system or directly into a lake, stream, river, wetland, or coastal water. Anything that enters a storm sewer system is discharged untreated into the waterbodies we use for swimming, fishing, and providing drinking water. Polluted runoff is the nation’s greatest threat to clean water. If you witness illegal dumping on school grounds, please contact the Environmental Compliance Branch immediately.

The program is available for review at the Environmental Compliance Branch at 1369 Airport Boulevard. Questions are welcomed and should be directed to the Environmental Compliance Branch Manager at 303-367-3000 ext. 28685.

**Bus Procedures/Rules**
The right of any student to ride the school bus is contingent upon the observance of all safety rules and the demonstration of acceptable behavior at all times. The Transportation Behavior Management Department will work with the bus drivers to determine fair and appropriate disciplinary action for violations of these rules. Should an infraction occur the department will notify the parent and/or guardian. If you have problems concerning your child or incidents that have occurred on the bus, please contact one of the Transportation Department’s Supervisors at 303-326-1986.

- Recording devices are located on APS busses.
- All general education stop locations are identified by a sign or yellow curbside stencil that contains the school abbreviation. Students should arrive at the bus stop no more than five minutes before the bus is scheduled to depart.
- The Transportation Department works diligently to ensure that the buses arrive on time to all bus stops, however, occasionally buses may be late because of traffic, vehicle malfunctions or weather conditions.

Acceso a la Información estudiantil/Expedientes estudiantiles: Derechos y Privacidad
De vez en cuando, el personal de las Escuelas Públicas de Aurora recibe peticiones para compartir información estudiantil con alguien que no es el padre o tutor del estudiante. Las Escuelas Públicas de Aurora no pueden compartir ésta información porque es ilegal, de acuerdo a la ley federal Family Educational Rights and Privacy Act (Ley de Derechos Educativos y Privacidad de la Familia). Hay algunas excepciones, incluyendo peticiones de información por medio de un citatorio, información clasificada como “información del directorio” (tal como una dirección de correo electrónico, fecha de nacimiento y la fotografía), y la información que se comparte con otra escuela en donde el estudiante está tratando de inscribirse o cuando el consentimiento de uno de los padres es otorgado.

La Ley de Derechos Educativos y Privacidad Familiar (FERPA, por sus siglas en inglés) ofrece a los padres y estudiantes de 18 años o mayores (“estudiantes elegibles”) ciertos derechos con respecto a los expedientes académicos del estudiante. Estos derechos son:

1. El derecho a inspeccionar y revisar los expedientes académicos del estudiante, dentro de los 45 días después del día en que la escuela reciba una solicitud de acceso.

Los padres o estudiantes elegibles deben presentar al Director de la escuela, o al funcionario escolar apropiado, una solicitud por escrito, que identifique los expedientes que desean inspeccionar. El funcionario escolar hará arreglos para el acceso y notificará al padre o estudiante elegible del tiempo y lugar donde los expedientes pueden ser inspeccionados.

2. El derecho de solicitar la corrección de aquéllos expedientes académicos del estudiante que el padre o estudiante elegible crea que son incorrectos, malinterpretados, o que de otra manera estén en violación de los derechos de privacidad del estudiante bajo la ley FERPA.

Los padres o estudiantes elegibles que deseen pedir a la escuela que corrija un expediente, deben escribir al Director de la escuela (o al funcionario escolar apropiado), claramente identificar la parte del expediente que ellos quieren cambiar.
y especificar por qué debería ser cambiado. Si la escuela decide no corregir el expediente como fue solicitado por el padre o estudiante elegible, la escuela notificará al padre o estudiante elegible, de la decisión y le notificará de su derecho a una audiencia con respecto a la petición para la corrección. La información adicional, con respecto a los procedimientos de audiencia, será proporcionada al padre o estudiante elegible cuando le sea notificado del derecho a una audiencia.

3. El derecho de proporcionar consentimiento por escrito, antes que la escuela divulgue información personal identificable (PII, por sus siglas en inglés) de los expedientes académicos del estudiante, excepto en la medida en que FERPA autoriza la divulgación sin consentimiento.

Una excepción, que permite la divulgación de información sin consentimiento, es la divulgación de información a los funcionarios escolares con intereses académicos legítimos. Un funcionario escolar es una persona empleada por la escuela como un administrador, supervisor, maestro o miembro del personal de apoyo, (incluyendo personal de salud o médico, y personal de un cuerpo de la agencia de seguridad), o una persona que sirve en el Consejo Directivo de Educación. Un funcionario escolar también puede incluir un voluntario o una persona o compañía que la escuela ha contratado para realizar un servicio institucional de la función por la cual la escuela, de otra manera, usaría sus propios empleados y quien está bajo el control directo de la escuela con respecto al uso y mantenimiento de PII de los expedientes académicos, tal como: un abogado, auditor, consultor médico o terapeuta, un padre, estudiante voluntario que sirva en un comité oficial, tal como un comité disciplinario o de queja; o un padre, estudiante u otro voluntario que ayuda a otro funcionario escolar en la realización de sus tareas. Un funcionario escolar tiene un interés académico legítimo, si el funcionario necesita revisar un expediente académico para cumplir su responsabilidad profesional.

Al recibir una petición, la escuela divulga los expedientes académicos sin consentimiento, a los funcionarios de otro distrito escolar en el cual un estudiante busca o intenta inscribirse, o donde ya está inscrito, si la divulgación es para propósitos de la inscripción o transferencia del estudiante.

4. El derecho de reportar una queja al U.S Department of Education (Departamento de Educación de los EE.UU) con respecto a presuntas fallas por parte de la escuela para cumplir con los requisitos de FERPA. El nombre y dirección de la oficina que administra FERPA es:

Family Policy Compliance Office
U.S Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

La Ley de Derechos Educativos y Privacidad Familiar (FERPA), es una ley federal que requiere que las Escuelas Públicas de Aurora, con ciertas excepciones, obtengan el consentimiento de usted por escrito antes de la divulgación de información personal identificable de los expedientes educativos de su hijo. Sin embargo, las Escuelas Públicas de Aurora pueden divulgar “información del directorio” adecuadamente indicada, sin consentimiento por escrito, a menos que usted haya notificado al distrito de lo contrario, de acuerdo con los procedimientos del distrito. El propósito primordial de la información del directorio es permitir al distrito de las Escuelas Públicas de Aurora incluir este tipo de información de los expedientes académicos de su hijo, en ciertas publicaciones de la escuela. Los ejemplos incluyen:

- Un cartel mostrando el papel de su hijo en una producción teatral;
- El anuario; el cuadro de honor u otros listados de reconocimiento;
- Los programas de graduación; y
- Las hojas de actividades deportivas, tal como lucha libre, mostrando el peso y altura de los miembros del equipo.

La información del directorio, la cual es información que generalmente no es considerada nociva o una invasión de la privacidad si es divulgada, puede también ser divulgada a organizaciones externas, sin el consentimiento previo por escrito de uno de los padres. Las organizaciones externas incluyen, pero no se limitan a compañías que fabrican anillos de graduación o publican anuarios.

Si usted no quiere que las Escuelas Públicas de Aurora divulguen información del directorio que está en los expedientes académicos de su hijo sin su consentimiento previo por escrito, usted tiene que notificarle al distrito por escrito dentro de los 15 días de inicio de la escuela, o dentro de los 15 días de recibo de este aviso, para aquellos padres del estudiante que no inicia el
año en las Escuelas Públicas de Aurora. Las Escuelas Públicas de Aurora han designado la siguiente información como informa-
don del directorio:

a. nombre del estudiante,
b. fecha y lugar de nacimiento,
c. dirección de correo electrónico,
d. foto,
e. grado escolar,
f. área de especialización de estudio,
g. participación en actividades y deportes oficialmente reconocidos,
h. peso y altura de los miembros de equipos deportivos,
i. fechas de asistencia,
j. premios recibidos,
k. la agencia o institución académica a la que el estudiante asistió más recientemente, u otra información similar, y
l. otra información similar.

Los números de teléfono y dirección del estudiante no serán divulgados en conformidad con ésta sección.

Aviso anual para los padres: Discriminación por discapacidad
En cumplimiento con la ley federal conocida como Section 504 of the Rehabilitation Act of 1973 (Sección 504 del Acta de Rehabilitación de 1973), el distrito de las Escuelas Públicas de Aurora proporcionará a cada estudiante protegido por la ley y que tiene una discapacidad, sin discriminación o costo para el estudiante o la familia, esos servicios de apoyo suplementario o adaptaciones que son necesarios para proporcionar oportunidad equitativa de participar en y obtener los beneficios del programa y las actividades extracurriculares de la escuela, al máximo nivel apropiado para las habilidades de la persona. Para calificar como estudiante protegido por la ley y que tiene una discapacidad, el niño tiene que cumplir con la siguiente definición: él o ella tiene que estar en edad escolar y tener una discapacidad física o mental que lo limite sustancialmente en una o más actividades de la vida (tal como el aprendizaje), o que le impida la participación o el acceso a algún aspecto del programa escolar. Además, alguien que en el pasado haya tenido tal discapacidad o que para otros parezca tener tal discapacidad, también puede ser protegido por la ley, en contra de la discriminación basada en la discapacidad.

- Incluso los estudiantes que no son elegibles para recibir servicios de acuerdo a los programas tradicionales de educación especial, los cuales son provistos por medio de la Individuals with Disabilities Education Act (Ley para la Educación de los Individuos con Discapacidades), pueden tener derecho a recibir apoyo, servicios y adaptaciones, suplementarios, siempre y cuando califiquen para la definición de discapacidad mencionada arriba.
- De manera adicional, el distrito no discrimina para la admisión, tratamiento, empleo o acceso a sus programas o actividades.
- Para obtener mayor información sobre los procedimientos de evaluación y estipulaciones de servicios otorgados a estudiantes con discapacidades, comuníquese con el coordinador del distrito encargado de Section 504 Compliance (Cumplimiento de la Sección 504), en el departamento de Health Services (Servicios de Salud) al número (303) 344-8060, ext. 28511, o escribale al: 504 Compliance Director, Aurora Public Schools, 15700 East 1st Ave., Aurora, CO 80011.
- Para obtener información específica relacionada con los servicios de educación especial para estudiantes con discapacidades de acuerdo a la Individuals with Disabilities Act, comuníquese con el Department of Exceptional Student Services (Departamento de Servicios para Estudiantes Excepcionales), en el 15751 E. 1st Avenue, Aurora, CO 80011, 303-340-0510.

Plan de administración del asbesto, diseñado para la seguridad de las escuelas
La seguridad de los estudiantes y empleados de todas las instalaciones las Escuelas Públicas de Aurora son la prioridad principal para el Environmental Compliance Branch (Departamento de Cumplimiento Ambiental). Nuestros procedimientos para tratar el asbesto son el reflejo de dicha prioridad.

Como es requerido por la ley Asbestos Hazard Emergency Response Act (AHERA, por sus siglas en inglés) (Ley de Respuesta a Emergencias por Riesgos de Asbesto, las Escuelas Públicas de Aurora han hecho una inspección extensa de asbesto en todas las instalaciones del distrito. Basado los resultados de estas inspecciones, se ha desarrollado un plan de administración extenso para cada escuela. Cada plan identifica los lugares y tipos de materiales que contienen asbesto en el edificio, y detalla el esfuerzo constante del distrito para mantener o remover estos materiales. Los planes son continuamente actualizados con documentación del trabajo rendido en relación al asbesto en cada plantel.
Información crítica
Es sumamente importante que los padres de familia faciliten a la escuela los números telefónicos actualizados de su hogar y del trabajo. También es muy importante que los padres de familia actualicen su dirección o direcciones postales, a lo largo del año escolar por medio del sitio de web “Change of Address Tool.” (Herramienta de cambio de domicilio en línea). Además, la escuela debe de tener el nombre de un adulto para contactar en caso de una emergencia, por si no pudiéramos comunicarnos con uno de los padres. Si no podemos comunicarnos con alguien, la policía será contactada. Es también importante que los padres revisen con sus hijos planes auxiliares, en caso de que pase algo inesperado (salida temprana, retraso de los padres, etc.)

Acoso: Racial/sexual
El Consejo Directivo de Educación de las Escuelas Públicas de Aurora, reconoce que todos los estudiantes tienen el derecho de buscar su educación en ambientes escolares que estén libres de acoso racial y sexual. Con este fin, el Consejo Directivo prohíbe el acoso de los estudiantes a través de la conducta o las comunicaciones.

Es política del Consejo Directivo que cualquier queja sea investigada y que los culpables sean tratados de acuerdo a la ley estatal y las políticas del distrito. Los individuos que deseen formalmente entregar una queja de acoso racial y/o sexual, lo pueden hacer comunicándose con el Director de la escuela o enviando su queja a Marcelina Rivera, Jefa del Personal, 15701 East 1st Avenue, Suite 206, Aurora, CO 80011, número telefónico: (303) 344-8060, mrivera@aps.k12.co.us, o a su designado.

Niños y jóvenes sin hogar: La Ley McKinney-Vento Act
Si el estudiante reúne los requisitos de la definición federal para personas sin hogar, el/los padre(s) y el/los estudiante(s) tienen el derecho de inscribirse en la escuela del área a la que pertenecen y participar por completo en cualquiera de los programas ofrecidos a los estudiantes, siempre y cuando reúnan los requisitos de elegibilidad. Los estudiantes sin hogar no son obligados a asistir a una escuela separada para jóvenes sin hogar y no serán estigmatizados por el personal escolar. El padre(s) y el estudiante(s) sin hogar no necesitan proporcionar documentos escolares, comprobantes de domicilio, o expedientes de vacunas para inscribir al estudiante. La escuela les ayudará a los padres con información sobre clínicas para vacunación o pidiendo expedientes escolares por ellos. A los estudiantes sin hogar se les proporcionarán los servicios comparables, incluyendo transporte, educación y comidas. Si a un padre se le niega la inscripción de su hijo, él/ella puede apelar la decisión con la persona de enlace familiar para las familias sin hogar del distrito escolar. Después de analizar la situación, la persona de enlace tomará la decisión final, sobre la inscripción del estudiante.

Si alguna familia o algún joven queda sin hogar durante el transcurso del año escolar, el/los padre(s) pueden pedir ayuda con el transporte para que su hijo continúe asistiendo a la escuela original. Esta petición solo se aplica si la familia, o el joven, tiene que mudarse a una dirección fuera del área de asistencia que corresponde a la escuela. Esta ayuda con el transporte se otorgará por lo que reste del año escolar actual. Al determinar las opciones de transporte, la persona de enlace familiar para familias sin hogar considerará las necesidades del estudiante y si el viaje en el autobús es muy largo o si el tiempo que éste requiera causaría dificultades para el estudiante y su familia.

Para más información sobre a los estudiantes sin hogar, o los derechos de los padres y jóvenes sin hogar, por favor comuníquese con el Metro Migrant Education Program, Escuelas Públicas de Aurora, al 303-365-5817.

Plan de Ley Cada Estudiante es Exitoso: El “Derecho de saber” de los Padres (Every Student Succeeds Act: Parent’s “Right to Know”)
La ley federal llamada “Cada estudiante es exitoso” requiere que todas las escuelas públicas les informen a los padres cuyos niños participan en programas de Title I (Título I) de las cualificaciones profesionales de sus maestros. De ser solicitada, Las Escuelas Públicas de Aurora le proporcionaran esta información.

Si usted desea obtener información sobre la licencia y los títulos de los maestros de clase de Title I, por favor llene el formulario “Title I Teacher Qualification Request Form”. Este formulario se puede obtener solicitándolo por escrito al
**Derechos de los padres sin la custodia legal de sus hijos**

Por ley, se exige que el distrito permita a los padres que no tienen la custodia legal de sus hijos, acceso a todos los expedientes académicos concernientes a sus hijos, a menos que exista una orden del juzgado que les niegue el acceso o, en casos raros, cuando el distrito crea que el niño pudiera estar en peligro. Esto significa que si usted está divorciado, separado o por alguna otra razón no está viviendo con el padre de su hijo, y el padre que no tiene la custodia solicita a la escuela cualquier expediente concerniente a su hijo, la escuela tiene la obligación de dárselo, a menos que haya una orden del juzgado que diga que no tiene derecho al acceso de tales expedientes. Por favor, tome nota que los expedientes escolares incluyen nombres y direcciones de los estudiantes.

Es responsabilidad del padre que tiene la custodia del estudiante, proporcionar al distrito la copia de la orden más reciente del juzgado, relativa a los derechos de la custodia, esto incluye al derecho de los padres sin custodia a tener acceso a los expedientes del estudiante. La orden del juzgado deberá presentarse lo más cerca posible a la hora de inscripción del estudiante o al momento en que el juzgado haya expedido dicha orden. Si la escuela no tiene la orden del juzgado en sus archivos, la escuela asumirá que dicha orden no existe.

**Ley de Protección de los Derechos del Estudiante (Protection of Pupil Rights Act (PPRA))**

Según la ley federal PPRA, los padres tienen el derecho a aviso previo de: (1) cualquier actividad que implica la recopilación o divulgación de información personal del estudiante para propósitos de mercadeo; (2) la administración de cualquier encuesta que es diseñada para recopilar información privada del estudiante (incluyendo información acerca de la afiliación política, ingresos de la familia, problemas mentales, conducta ilegal, conducta y actitudes sexuales y creencias religiosas); y (3) cualquier examen físico o evaluación médica, que no sea de emergencia y que sea invasiva, la cual sería requerida como condición de asistencia, administrada por la escuela y programada con anticipación y que no sería necesaria para proteger en forma inmediata la salud y seguridad del estudiante o de otros estudiantes. Para ver una descripción completa de los derechos indicados en PPRA, por favor visite el sitio web del distrito en aurorak12.org (seleccione “Parents” y después haga clic en “Legal Rights”).

La PPRA proporciona a los padres ciertos derechos en relación a la realización de encuestas, recopilación y uso de información para propósitos de mercadeo y ciertos exámenes físicos. Éstos incluyen el derecho a:

El distrito escolar de las Escuelas Públicas de Aurora (APS, por sus siglas en inglés) ha desarrollado y adoptado políticas en colaboración con los padres, en relación a estos derechos, así como arreglos para proteger la privacidad de los estudiantes en la administración de encuestas sobre información protegida y la recopilación, divulgación o uso de información personal para mercadeo, ventas u otros propósitos de distribución. APS les notificará directamente a los padres sobre estas políticas, por lo menos anualmente, al inicio de cada año escolar y después de cualquier cambio significativo. APS también notificará directamente, como a través del correo o correo electrónico, a los padres de los estudiantes que están programados para participar en las actividades o encuestas especificadas a continuación y proveerá una oportunidad a los padres de optar para que su hijo no participe en la actividad especificada o encuesta. Proyecto de Ley 03-72 del Senado: Lista de Delincuentes Sexuales (Senate Bill 03-72/Sex Offender List)
Una ley estatal (Proyecto de ley 03-72 del Senado) aprobada en el 2003, requiere que toda escuela notifique a los padres del derecho que tienen para obtener información de adultos ofensores sexuales registrados en las agencias legales. Los padres interesados pueden solicitar esta lista en la oficina de la policía local, que administra su dirección o la dirección de la escuela a la cual sus hijos asisten. Esta puede ser el Aurora Police Department (Departamento de Policía de Aurora) o las oficinas del sheriff en los condados de Adams o Arapahoe, dependiendo de su dirección. Necesidades Especiales
Por favor comuníquese con el administrador de su escuela o con el Director de Servicios de la Salud de las Escuelas Públicas de Aurora al número telefónico 303-344-8060, ext. 28511 si, debido a una discapacidad, usted requiere de asistencia especial para poder participar en una actividad escolar. Se les pide a las personas con dichas necesidades que se comuniquen por lo menos dos semanas antes del evento, si es posible, para permitirle tiempo al personal de coordinar los arreglos necesarios.

Ésta y la mayoría de las otras publicaciones de su escuela, están disponibles en otros formatos (ej. en letra grande, en grabación y en Braille) cuando son solicitadas. Para más información, por favor comuníquese con el Director de su escuela.
**Programa de manejo del agua producida por una tormenta**

Las Escuelas Públicas de Aurora han desarrollado un programa de manejo del agua producida por una tormenta con la intención de reducir las fuentes de partida de contaminación de los conductos de agua locales. Al correr sobre las vías de acceso, jardines, y banquetas, el agua de una tormenta acarrea desechos, químicos, sedimentos y otros contaminantes. El agua de tormenta puede entrar en el sistema de drenaje pluvial o directamente en un lago, arroyo, río, pantano o agua costera. Cualquier cosa que entra en el drenaje pluvial es desechada, sin tratar, en los mantos de agua que utilizamos para la natación, pesca y provisión de agua potable. El agua residual que está contaminada es la mayor amenaza nacional para el agua limpia. Si usted es testigo de basura ilegalmente dejada en propiedad escolar, por favor comuníquese con el *Environmental Compliance Branch* (Departamento de Cumplimiento Ambiental) inmediatamente.

El programa está disponible para su revisión en el *Environmental Compliance Branch* en el 1369 Airport Boulevard. Sus preguntas son bienvenidas y deben ser dirigidas al director del *Environmental Compliance Branch*, al 303-367-3000 ext. 28685.

**Reglas y procedimientos del autobús**

El derecho de cualquier estudiante de viajar en el autobús escolar depende del cumplimiento de todas las reglas de seguridad y la demostración de un comportamiento aceptable en todo momento. El *Transportation Behavior Management Department* (Departamento de Transportación - Control del Comportamiento) trabajará con los conductores de autobús para determinar la acción disciplinaria justa y adecuada para las violaciones de estas reglas. En caso de que ocurra una infracción, el departamento notificará a los padres y/o tutor. Si tiene problemas con respecto a su hijo o incidentes que hayan ocurrido en el autobús, por favor póngase en contacto con alguno de los supervisores del Departamento de Transportación al 303-326-1986.

- Hay aparatos de vigilancia en todos los autobuses de APS.
- Todas las paradas de autobús están identificadas con un letrero o están marcadas en la banqueta en color amarillo con una abreviación del nombre de la escuela. Los estudiantes deben llegar a la parada del autobús, no más de cinco minutos antes de la hora de salida programada para autobús.

- El Departamento de Transportación trabaja diligentemente para asegurar que los autobuses lleguen a tiempo a todas las paradas de autobús, sin embargo, a veces los autobuses pueden llegar tarde debido al tráfico, fallas del vehículo o condiciones climáticas.
